

Expediente ficticio para evaluación controlada de IA

This document is entirely fictitious. Names, amounts and references exist only for a reproducible academic test.

TS 2.2 - Scope

Digitisation, indexing and quality control of 320,000 pages from the historical archive.

AC 1.3 - Budget and term

Base budget: EUR 98,000 excluding VAT. Initial term: 10 months.

TS 3.4 - Image quality

Capture shall use a minimum resolution of 300 dots per inch.

AC 4.2 - Optional sample

A ten-page sample may be supplied for technical scoring, but it is not an eligibility requirement.

AC 5.5 - Information security

A current ISO/IEC 27001 certificate, or a current equivalent information-security certificate, is mandatory.

CANDIDATE 5.1 - Certificate

The candidate supplies an ISO/IEC 27001 certificate that expired on 30 June 2026. No renewal or equivalent certificate is included.
